

Instruction for submission of revised papers

- Please conduct a revision of your paper as suggested by the reviewers and adhere to the page limit and Authors Instructions (<http://www.iafss.org/symposium/11th-symposium/author-instructions/>) when revising your paper. Please also submit a statement of changes or rebuttal in response to the comments of the reviewers point by point.
- Submit a copy of the revised paper with the statement of changes in a single PDF document as an attachment.
- If you are using MS Word, please submit the revised paper with tracked changes in a Word document. If you are using LaTeX, please highlight the changed texts in red color in a PDF and submit the revised paper and associated LaTeX files, including images, as a .zip.
- Please upload the revised version of your paper (in MS Word or LaTeX) to the EasyChair submission system (<https://www.easychair.org/account/signin.cgi>) by September 30, 2013 for inclusion into the Proceedings. If your submission consists of multiple files, please compress them into a zip file for submission.
- Login EasyChair as an author.
- Click “My Submissions” (please DO NOT click “New Submission”) and select the paper number. A sub-menu will appear on the up-right corner of the screen.
- Select “Submit a new version” then follow the instructions on the screen.
